Commodore's Message

Hello fellow sailors,

Well Labor Day is fast upon us. C.C O'Bryan is working hard to make this years festivities a wonderful event. Please contact her if you do not have a specific job and would like to help out. There is a luau planned on Friday night so get out your best Hawaiian attire and get ready to have a great time. I have seen the sample jackets for the Regatta and they are very cool so don't miss out and get your order in soon. As always, the Labor Day Regatta takes all of us to make it the fantastic event it is and I greatly appreciate everyone's hard work to pull it off.

Remember the last work party for this year's work hours is on the 18th. Let's have a strong showing of members to get the club looking great for Labor Day. Drew Miller and I will be working on the water line leading down from Kyle's trailer and will need help in digging trenches. Also I believe Scott Randle will be working on the new deck platform leading to the docks. As always there is lots of weeding, trimming, mowing and brush cutting to be done. Once again the boat storage area is becoming very cluttered and hard to find a place to put anything. If you have any boat or trailer that can be removed please do so. The Board passed a motion to bill all those who have more than their allotted share of boats and trailers in this area. We have been negligent in doing so but will be forced to do so if the storage area does not get cleared out enough so the people paying for spots have a place to park their trailers. I would greatly appreciate everyone's help in this matter so that we do not have to start billing people large amounts of money.

The remote for the projector in the clubhouse went missing over the 4th of July. If anyone has any idea where it went please contact George Tinker. As always, parking during Labor Day weekend can become very clustered. Please allow those with trailers to park one vehicle at their trailer and advise your guests to find parking elsewhere.

In closing, I hope everyone has had a wonderful summer thus far. As we all know September usually brings great weather to the Oregon Coast so we have

lots of summer left to enjoy our fantastic club. Thank you again to each and every one of you who do so much for our club!

See you on the Water,

Garth Frost

Work Party
Saturday,
August 18

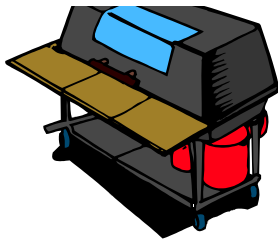

We will be replacing the water lines from Kyles RV to Gulseths RV. Please bring shovels as there will be lots of trench work to be accomplished! Remember Work Party billing goes from Labor Day to Labor Day - this is the LAST Work party on this billing cycle.

POTLUCK AUGUST 19 @ 1PM

**NOMINATING COMMITTEE WILL
BE PRESENTED**

We as members have the privilege of using the clubs BBQ grills. The Board does not want to have them be "club event only" use so **PLEASE REMEMBER TO TURN GAS OFF WHEN DONE!**

PROJECTOR REMOTE LOST!

Please help find the Projector Remote! If you happen to see it or know where it got placed PLEASE let George Tinker or Garth Frost know...

The Safety Boat and/or Kyle's Boat are here for boat rescues and need to be "put to bed" correctly after each use. If you are not sure what all that entails please ask someone.
