Commodore's Message

Hello sailors,

A great big thank you goes to George Tinker for organizing another wonderful January Muster. It was great to see everyone. We initiated two new full memberships, Mark & Evelyn Hazelton and Donald & Misty Richcreek. What a great way to start the year off! Sponsors please remember that you are "in charge" of your new members for the first year, so please make sure you keep them informed and involved.

This weekend is a very big weekend. First is the work party on Saturday. We have lots of clean up to do so I hope we can get a good turn out to make the club look great again. Please bring any chainsaws, blowers and other assorted tools to assist in the clean up endeavors. Remember, as of last year everyone needs to attend at least two work parties throughout the year. Don't procrastinate and get one of those out of the way this weekend! If you have any questions please contact Rear Commodore, Scott Randle, he is in charge of all work parties this year. Second is the Valentines Breakfast on Sunday morning. Your 2012 Board Members will be cooking up a delightful menu of bacon, sausage, pancakes, hash browns, scrambled eggs, orange slices, coffee, tea and orange juice. Cost is only \$5per person so I hope to see a bunch of you there. Also, the Boat Show will be upon us before we know it. It is being held at the Pony Village Mall March 31st & April 1st. The more boats the merrier, so if you have the ability to bring your boat down or any questions please contact Measurer, Perry Wickham. On a personal note, I'm being inducted into Marshfield's "Pirate Athletes Gallery of Champions" on Friday night. Please wish me luck...

UNITED STATES COAST GUARD AUXILIARY

DEPARTMENT OF HOMELAND SECURITY
The civilian component of the U.S. Coast Guard
(Authorized by Congress in 1939)

US Coast Guard Auxiliary offers a Boating Class and Boat Safety Inspections

The US Coast Guard Auxiliary will conduct an 8 hour boating safety education course on Saturday, March 17, 2012 in Charleston. The course covers the basics of boating safety, rules of the road and Oregon boating laws. A test at the end of the course will qualify boaters for their Boater Education Card, under the Oregon Mandatory Boater Education Program. The Boater Education Card is required for all motorboat operators of all ages for boats over ten horsepower. Additional provisions apply to youths. The cost of the course and materials is \$15.

Pre-registration is required.

To register for the class, please call (541) 267-6152.

The US Coast Guard Auxiliary Flotilla 51 Coos Bay members offer to the boating public a free boat safety inspection. The USCG trained examiners will certify the boat if it meets Oregon and Federal US Coast Guard boating laws for equipment and will issue a decal certifying compliance. The examiners will also make recommendations for your boat for operation in local waters. The Vessel Safety Check is available by appointment or on May 19, 2012 at England's Marine in Charleston.

For additional information and to make arrangements for a vessel inspection please call 541-404-1115.

This message is from the Coos Bay U.S. Coast Guard Auxiliary Flotilla 51. (541) 267-6152

If you use the code Cb-7245 the cost of the class will be \$85 dollars. You can also use your usaa sailing card however by using the cb-7245 code in the comments box It will allow them to see how many local members are attending. The full price for the class is \$115 without any discounts for the skipper and the crew price is \$85. These are the main prices that apply to most of us signing up. The full list of pricing can be seen at the website when signing up. Also I can help answer questions for you but you have to actually sign up. That can be done at the website or through the phone number listed on the flyer.
