Commodore's Message

Hello Sailors,

I begin to write this message after just arriving home from Sundays racing. I just have to say how truly blessed us all are to share such a wonderful facility, fantastic people, and great sailing. Today was one of those days that once again proved that CBYC is our own private utopia. Thank you to all you hard working members who make the CBYC the incredible place it is.

A big thank you goes out to Steve & Linda Kridelbaugh for organizing and facilitating the Memorial Day Regatta. As always, everyone at least "all the good people" as Steve put it had a great time with George Tinker receiving the top sailing honor!

Brit t Gastreich is now officially once again in charge of the Ships Store. Please remember that if you need to order anything with the CBYC logo on it to contact her and she will get it for you. She has also ordered some new items that will be on display shortly.

In addition, Tammy Northcutt has been appointed the new Junior Sailing Chairperson. If you have any questions concerning Junior Sailing or the leasing of any CBYC boats please contact her. Everyone give her a big "Thank You" for taking over this very big endeavor for our club. This is not to be confused with Junior Sailing School of which George Tinker is currently running for the 28th year.

Our next Social is scheduled for June 23rd. It is a "Bring Your Own Meat" social BBQ. I hope to see lots of current members and hopefully some new prospects from Junior Sailing School.

Tom Mills has been gracious enough to offer his skills in teaching some of his sailing techniques on how to best tackle sailing on our lake. These classes will be held Sundays before normal racing so watch the Yacht Yak for the dates. In addition, Keri Miller is going to be hosting AED training before the July potluck. Thank you to both these members for their extra efforts.

Once again, Thank you to all CBYC members who can make a day like today such an incredible experience for us all.

Commodore 2012, Garth A. Frost

FATHER'S DAY POTLUCK JUNE 17

SUMMER SERIES BEGINS!

Join us for a CBYC Social on June 23!

Bring your own meat to BBQ. Jessica Randle will be coordinating side dishes. We will be doing a family scavenger hunt throughout the CBYC grounds. Starting at 5:30 pm.

Sailing Class - Tom Mills

Our infamous, Tom Mills will be hosting a Sailing Class on Sunday June 24. We will meet in clubhouse at 10am!

AED TRAINING

CBYC has installed an Automated External Defibrillator device in the Clubhouse. It is mounted next to the Ships Store, above the Work Hours Logbook. On July 22 beginning @ 11am (before Potluck) certified trainer and CBYC member, Keri Miller, will be holding a training class. Although the device has simple audio commands, please come to get some hands on training.

All RVs should be ready for the 2012 year. Please remove covers and tarps, make sure the area around your RV is clean of debris and any shrubbery trimmed away from vents. Don't have time? Hire a Junior Sailor!

CBYC recycles!!
Please remember though we DO NOT recycle ANY glass.
Please take these home with you. THANKS!!

Members present: Garth Frost, C.C. O'Bryan, Tom Kyle, Ann Kershaw, Shari Main, Scott Randle, George Tinker, Claudia Moore, Don Costello, Michelle Frost, Dick Vigue, Dave and Bonnie Morgan, and Sean Randle.

Correspondence:

1. A donation to the Junior sailing Club was received from the Benz's. A thank you was sent.
2. CB Boat Building Center sent an invitation to a May 12 dinner to "Tall Ship Days 2012". Also an invite was

extended to individuals to join the small boats class and organization membership. Jim Berger is the chairman.

3. Tenmile Lake Owners Assoc. TLOA is on Facebook "Tenmilelake".

Treasurer's Report- Ann reviewed the April balance sheets.

1. \$20,000 was transferred from the club's checking account to its Money Market account.
2. Accounts Receivable- some contacts will be made and members will be dropped for non-pay.
3. College students Dlougy and Massengale are getting married and will continue as Junior status members.
4. The last of the cabinets and trims have been completed in the clubhouse. Lamco will be paid.

Officer/Director Reports

Commodore Frost

The Junior Mexican dinner was good. Compliments to these young kids!

Junior Sailing- Scott Randle reports that the Junior dinner provided to the members in April made \$200.

Adult Sailing School (through SWOCC) - more people are needed to sign up to assure the class will be held. Tom Mills is the instructor.

Adjutant-Don Costello

There will be a "Learn to Row" class taught by Don in mid-August, maybe two dates in September. There will be a fee charged with a plan for money collected to be donated to the Junior Sailing School. Norwegian rowers will be here in October. Don is the general counsel for this group. A welcome event will be planned. Don is hoping that the club can get involved and coaching/rowing opportunities on our lake can take place.

Vice Commodore- C.C. O'Bryan

All is in order at the clubhouse for this time of year. Painters are still waiting for dry weather to complete the clubhouse. Plans are beginning for the Labor Day Regatta.

Moorings and Docks (Biasca) Dock Party is scheduled for May 5th. Breakfast and lunch will be provided. Dry storage spots are available.

Rear Commodore -Scott Randle

Roads and Grounds

There was a lot of clean up completed at the last work party. The dock ramp will be worked on as the water goes down. The stairs are coming down from the playground. A new electrical winch was mounted and installed on the boat lift.

OAC – (Dave Morgan & Richard Rudder) - It is time to have all tarps off trailers, and the area around trailers cleaned up. One trailer spot is available and OAC will meet to determine whom to offer the spot.

Water System (Rob Schab and Drew Miller) –all okay

Measurer Perry Wickham

Perry Wickam is being relocated for his job and cannot complete his Measurer position. Tom Kyle was nominated to complete his term.

Motion to approve- Shari Main

Second- Ann Kershaw

APPROVED

Director Claudia Moore reports that races are going and results are posted. The sheriff has been notified of our

schedule. Memorial Day Regatta will be held and is headed up by Steve & Linda Kridlebaugh.

Director George Tinker- Safety and Chase Boat

1. The Chase Boat had 1 foot of water in it. The bilge pump is NOT automatic. If you walk by and there's water, flip the switch on to empty it. Also, be sure the boat is tied tightly. The boat really gets bashed up when there is too much slack.
2. FYI-U.S.S. rules: trawling boats (nets) have rights over our sailboats, trolling boats (hooks) should be given courtesy to avoid. If a boater is "going ballistic", get OR # and turn it in to the sheriff.
3. A cabinet to house First Aid supplies is too much money. Shelves will be looked into as a possible solution.
4. Trailer safety- cut all brush around trailer vents.
5. The next Coast Guard boating class will be held May 19.
6. Keri Miller has offered to teach First Aid and AED classes. Maybe a Sunday morning.

Sailing School – George Tinker

The dates are set and registration forms have been included in the Yacht Yak. The number of students depends upon the number of boats available. The students will be using 11 Holder Hawks, Lasers and Sunfishes.

Next Board Meeting 2ND Wednesday July 11 (at CBYC after races approx 8:30pm)

Lease a CBYC Sailboat

\$100 deposit, \$100 lease fee

Available: Holder Hawks and Lasers

CBYC members only PLEASE

Bring the signed lease agreement and check made out to CBYC on the last day of sailing school. For information please contact Tammy Northcutt

Southern Cascade Regatta (formerly Howard Prairie Regatta)

The Southern Cascade Regatta (formerly Howard Prairie Regatta) is just a few short months away (July 28th & 29th)

so we're sending out this email as a reminder for the following:

1. The camping sites get grabbed up pretty quickly so if you haven't made your reservation yet, just go to www.hplake.com and click on the upper left hand corner.

2. Here is the link directly to the registration form on our website if you wish to print your own instead of trusting the mail to deliver the paper copy!

<http://www.rogueyachtclub.org/uploads/2012%20Regatta/2012%20Regatta%20Registration%20Form%20-%20updated.pdf>

3. If you are you interested in class racing on Friday afternoon/evening, please send an email to warwickc@charter.net so we can get that arranged for you.

Here is a recap of some of the changes on tap for this year's regatta:

* Registration now begins at 9:00 AM on Saturday and Skipper's meeting has been moved to 12:00 PM in order to accommodate those arriving to the lake that morning as well as ensuring the winds are optimal for racing.

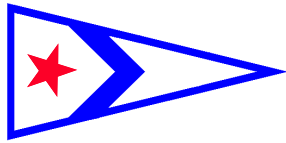

* Target of 4 races on Saturday

* Dinner on Saturday night also has a new schedule (from 6:45 PM to 8:00 PM). This new flexible timeframe allows racers time to tuck their boats away without being rushed. Happy Hour will commence at 6:00 PM.

* Sunday's racing schedule has been changed to accommodate the wind speed and direction, with an "on-call" system to wait for the winds to stabilize.

We are very excited about all of the new changes to the regatta and look forward to seeing you this July! Please don't hesitate to contact us if you have further questions.

Coos Bay Yacht Club
Junior Sailing School

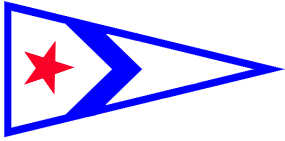

Registration June 19-23, 2012 For Youths 10 - 18 Years Old

We will be teaching boating and basic water safety, care and rigging of small sailboats, sailing techniques, beginning racing techniques, and basic rules. An end of school race will be held on Saturday, June 23rd. Classes are held daily 9:00 AM - 4:30 PM. The Saturday, June 23rd race will start at 11:00 AM with an awards and ice cream dessert following the final race for all family members.

The Sailing School will consist of several instructional levels of class with a goal of instructing the beginning sailor students with up to three years of previous CBYC Sailing School experience mixed in the same class. Students will sail a Holder Hawk or Sunfish. Past Beginning Sailing students should consider themselves for the advanced class if they are confident of their skills or have completed three summers of beginning sailing. The advanced class for 2012 will consist of a variety of racing formats and practice racing. Advanced students will sail a Laser. Students with more than three years in sailing school are welcomed to assist with instruction of the Beginning Sailing students. Daily attendance for the full week is expected.

1. Students must be able to swim well enough to enable themselves to get back into a capsized boat. A basic swim test is required.
2. All students need a supervising parent or adult CBYC member sponsor **present on site** who is responsible for entry, information, and supervision during the "on the docks" and "on the water" activities. Any exceptions need to be discussed with the instructor prior to June 8. The sponsor and parent assume all liability for the activities for the student. Parent volunteer instructors or supervisors are needed for specific events.
3. Each student will be required to provide his or her own U.S. Coast Guard approved life jacket with a whistle to wear at all times while on the docks and on the water. Students should bring a swimsuit, change of dry clothing, and a dry towel, which should have personal identification attached. No radios or CD players please! A "shortie (or full length) wet suit" is recommended for warmth, some are available for loan. Shoes are required to be worn at all times while on the docks. No "free swimming" time is allowed during the lunch break.
4. A \$50 donation per student with registration for the Sailing School Program is needed to maintain the program. **(CBYC liability insurance premium per student for the 5 days is in excess of \$50)**
5. Class is held rain or shine, only the activities may be modified.
6. Prompt registration **prior to June 8, 2012** is needed to enable proper planning for the Sailing School.
7. Sailing school logo tee shirts and sweatshirts will be available by special order prior to the sailing school from the ship store at <http://www.coosbayyachtclub.org>.
