## Commodore's Message

### Big thanks to Garth for a great year

and small at the club, and always the sense of community making it happen is amazing to me. When I was asked to step into the line of leadership, the outpouring of support surprised and humbled me.

I will attempt to make you all proud and bring my own personal stamp to our club in 2013.

Big thanks to Garth for a great year and our amazing new playground for the kids. He put his project in place even before summer sailing had begun! He created a fantastic addition to our facility and a safer place for our families who have been enjoying

it all summer. Thanks Garth!

My project for the next year is to add to our club infrastructure by bringing flush toilets to the point. All the while making sure our sewer system can keep up with our growing club. Stevie's Place has been a longtime landmark on top of the hill and we need to update to continue to handle the growth and multiple annual regattas we host.

Thank you all for your time and energy supporting this club. I am honored to be the 74th Annual Commodore of our Coos Bay Yacht Club.

Commodore,  
C.C. O'Bryan

This year has flown by and it seems that the time has come for me to step into some pretty big shoes. Following commodores dating back to 1939, great people have come before me and there will be many more generations to follow. We've seen changes big

The boat is definitely a fixer-upper.

Was previously owned by a now deceased past RYC Commodore, and the family wants it removed.
