## Commodore's Message

C. C. O'Bryan

It was a pleasure to see so many people at the January muster out at OIMB, Thank you again to George Tinker for organizing that fun event for us. I was pleased to present to the members a rough draft of the new bathroom for the point.

Lots of great comments and feedback will help me to design it for the final build this summer.

We are gearing up for the Valentines breakfast on February 10 at the clubhouse.

Always a fun time to keep connecting before we start our sailing season.

With the frost on the ground each morning it seems as though summer will never get here, but as we all know life moves fast and it will be here before we know it.

So enjoy the rest of your winter and stay warm. See you in February!

Commodore,  
C.C. O'Bryan
